Introduction

To address the contamination in accordance with Section 79, Enactment LUAS 1999, the regulations regarding pollution were available. This rule has been discussed with the technical departments / agencies who have been appointed to sit on the Technical Committee on Emission or Discharge of Pollutants Regulations, chaired by the Director of LUAS.

The proposed implementation Emission or Discharge of Pollutants Regulations is designed to control and minimize the impact of pollution and contamination to the environment especially water resources.

LUAS has also appointed consultants Unit University of Malaya (UPUM) to conduct two (2) study, namely:

- Review Study Parameters List and Standards of Limits Parameters Emission or Discharge of Pollutants Regulations from 15 August to 15 November 2007, and
- Licence Fee Study Based on Pollutant Load Emission or Discharge of Pollutants Regulations starting July 2009 to July 2010.
